MEMBERSHIP APPLICATION

The *Elsberry Community Growth Association* (ECGA) is a 501(C)(3) membership organization whose purpose is to promote and preserve the community of Elsberry as a great place to live, raise a family, start a business, shop, and play. We're endeavoring to do this through the fulfillment of our four objectives:

1. attracting new residents and homeowners

2. spurring economic growth and development

3. fostering civic responsibility and volunteerism

4. instilling community pride by eliminating deterioration and encouraging private initiatives.

Membership in the ECGA affords business, organizations, and elected officials many of the same benefits that come with membership in a Chamber of Commerce. However, it's also a way to invest in our community, both strengthening and promoting its assets throughout our region and beyond.

Who can join?

1. Anyone living in the Elsberry R-2 School District

2. Any business located in the Elsberry R-2 School District

3. Any church, club, or civic organization who's office or meetings are held in the Elsberry R-2 School District

4. Anyone born in or having graduated from Elsberry.

6. Any government entity or elected official representing the Elsberry community
